Chapter One:

Misstaken Identity

A character with dark hair and bangs is sitting in the driver's seat of a car at night. They are wearing a dark blue hoodie with a red 'B' and 'S' on the front. The car's interior is dimly lit, and the background outside the window is dark and blurry. A white text box is in the top left, and another is in the bottom left.

You are Terry Gardener, a 17 year old high school Junior.
You play second base for the varsity baseball team and have a part time job as a produce clerk in the local supermarket.

It's Saturday, and you just got paid from your part-time job, so you decided that it would be a good idea to kill some time at the mall.

Your number-one priority is to get a haircut; you thought letting your hair grow out would give you a rocker vibe at school, but all it really did is make you look a bit too girlish. Not that you would admit this to anyone.

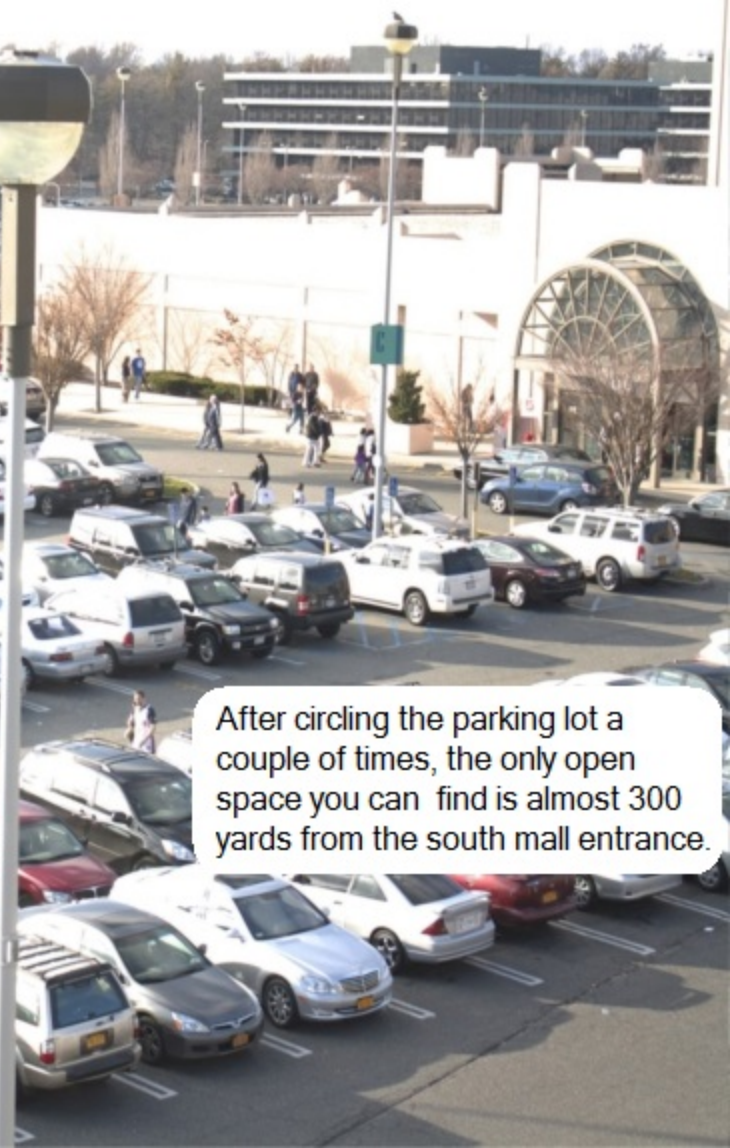

It's very cold and windy today, and your mom made it clear that if you wanted to go to the mall, you had to drive your older sister Jennifer and her friend Stacy there as well.

You have a huge
crush on Stacy!

Once you got to the mall, you quickly found that everyone else had apparently decided to also go to the mall today. As a result, you couldn't find a single parking space anywhere near the mall entrance.

After circling the parking lot a couple of times, the only open space you can find is almost 300 yards from the south mall entrance.

Hey, you're not going to make us walk all that way in this cold, right? You can drop us off at the entrance and then park the car.

How predictable. What should I do? If I make Jennifer walk, she's sure to be really annoyed later on, but it's going to take me longer if I drop her off first. There's no guarantee that the parking place I found will still be there.

sigh I'll drop her off. She's a good sister.

Thanks, bro!.

Don't cut off too much of your hair, Terry. It looks cute.

Better take my license. I
need a haircut in this
picture, what was I
thinking?

Damn! It's cold out! The only space left was in the last row! If I had to walk any further, I'd get frostbite!

Ouch!!!

That gust of wind
pushed me into that
old lady!

I did knock her down, so it wouldn't hurt to help her up. However, it wasn't *my* fault and I didn't hit her that hard, so she should be fine.

She doesn't look
hurt. She should
be fine...

How rude!

Now for that
haircut...

In my day a young
woman would have
better manners than
that.

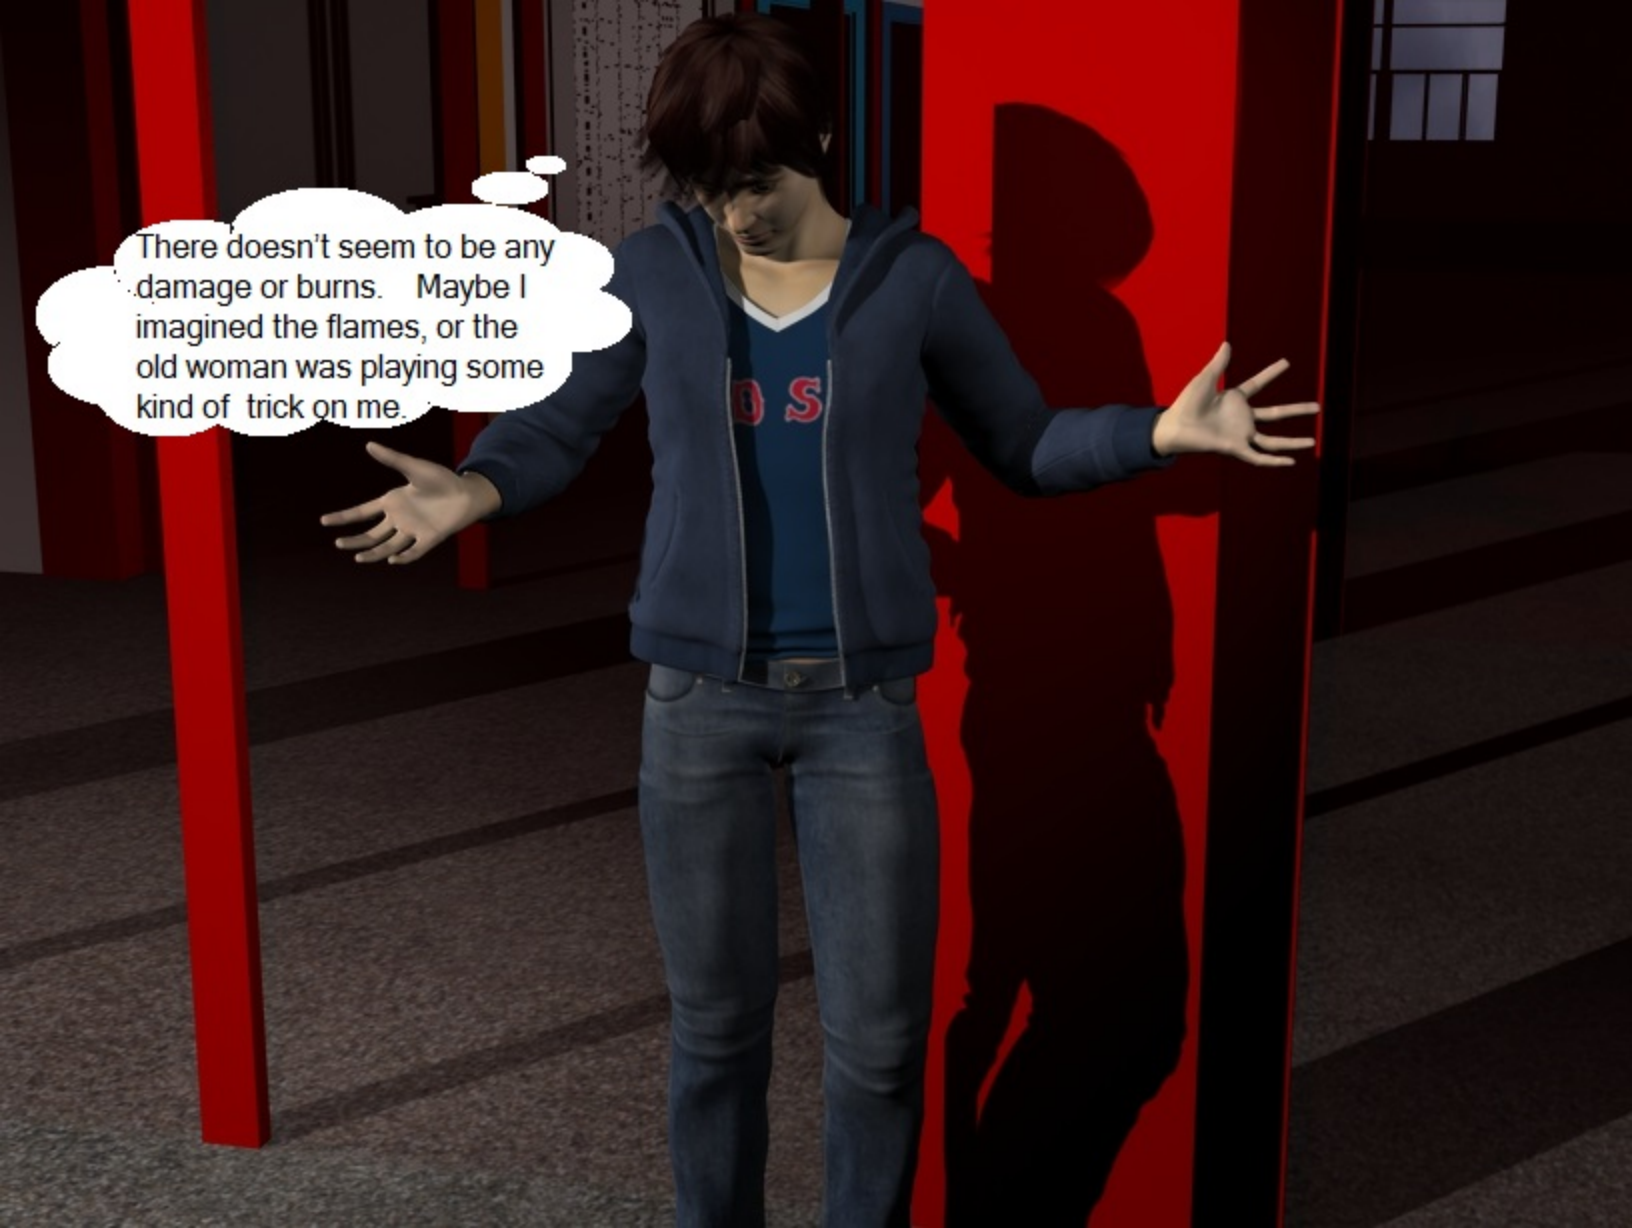

Huh? "Young woman?"

I may not be able to change the world, but I can at least make one girl act more ladylike.

What the...my skin is
burning! What's going
on?

Դուք կարող եք
դառնալ լավ պահել
երիտասարդ կին!

There doesn't seem to be any damage or burns. Maybe I imagined the flames, or the old woman was playing some kind of trick on me.

And what was with all that talk of
young woman and ladylike?
The stupid old woman must be blind
as well as clumsy. Weird...hey, she
vanished!

A person with dark hair, wearing a dark blue hoodie and jeans, stands with their back to the camera in a clothing store. The store has green and blue walls, fluorescent lighting, and various clothing racks and shelves. A thought bubble above the person's head contains the text "Might as well get on with my business." To the left, a rack of clothes has a sign that says "blouses." To the right, a mannequin is dressed in a hat, vest, and plaid skirt. In the background, there are shelves filled with shoes.

Might as well get on
with my business.

blouses.

Hey, she's pretty,
and she's smiling at
me!

Hi, I'm Emma... *gasp*
wow, your skin looks red
and painful, the cold and
wind outside must have
done that.

Would you like to try a sample of our skin moisturizer? I promise it will help.

Yes thanks so much!

A woman with short black hair and large black-rimmed glasses is applying a cosmetic product to the cheek of a man with dark hair. They are in a cosmetics store, with shelves of various products like foundations and blushes visible in the background. The woman is wearing a white top, and the man is wearing a blue and white striped shirt. Three speech bubbles are present: one from the woman, one from the man, and one from the man's perspective.

This is our newest tinted moisturizer, and it looks great on you. You really have great skin. Of course, you *do* need *foundation*.

That *does* feel better.

Foundation? What the heck is she talking about? I'm a guy! What's wrong with her? Well, she *is* really *cute*... maybe she's just likes to talk. Who cares; she's *really* cute, and she's talking to *me*!

I've never seen anyone's skin improve so much with such a little bit of product. The wind must have done a job on you. Your skin looks so soft and smooth now. Hey...Can you help me out? If you let me show you the rest of our line I can pay you with a \$50.00 Gift Certificate and a bunch of free samples.

ah.....OK.....I
Guess.

That moisturizer sure made my face feel better, and if she wants to show me some more stuff and I can get \$50.00... why not! I think she's flirting with me! She was caressing my face so gently to put the moisturizer on. It felt so good...

Hey, she's putting makeup on me! Does she think I'm a girl? How embarrassing! What's wrong with her?

See how easy this
is, Sweetie?

Yes...

This *is* kind of cool, for
some reason. Emma
really knows what she's
doing with this stuff.
She's a good teacher,
too

Lipstick too! Feels kind of nice...I just learned how to put on makeup! Wow, this day just keeps getting more and more odd!

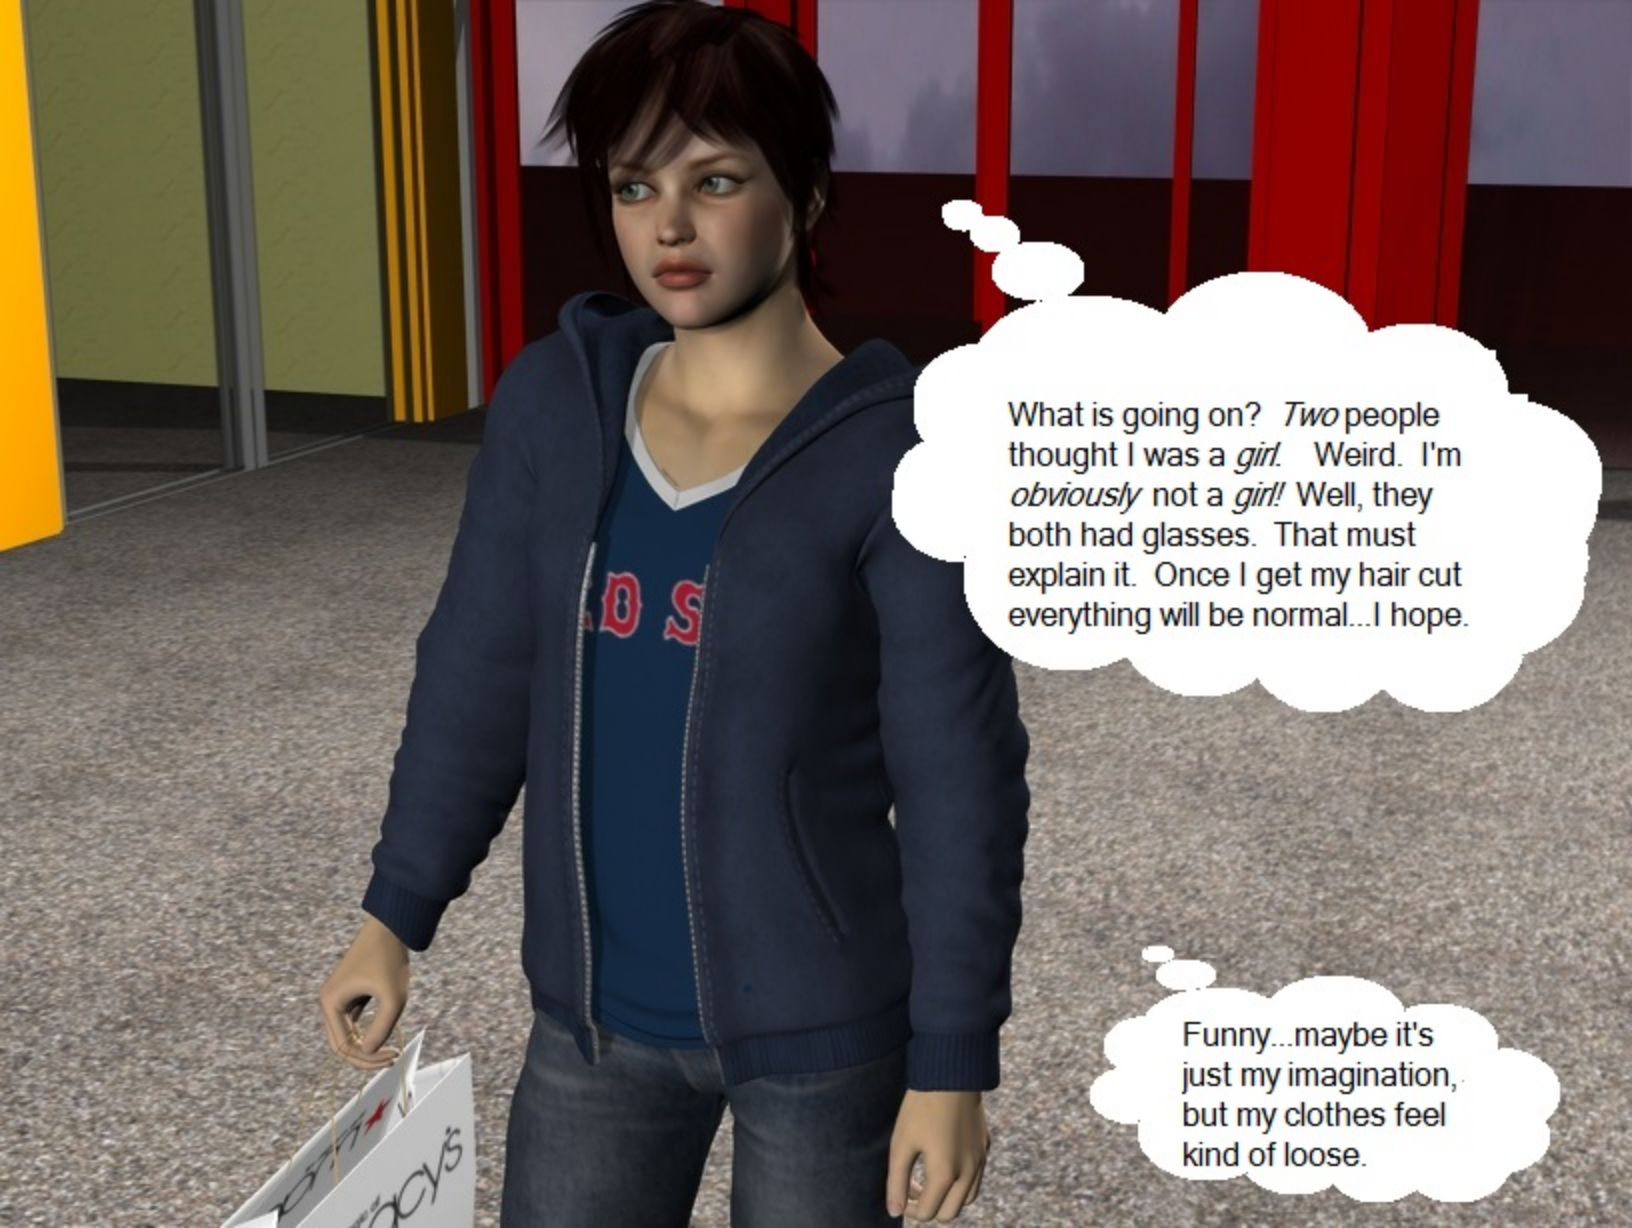

Well?

What the hell, I look like a girl!
Not an androgynous guy, but a
girl! She...she thinks I'm a *girl*!
Damn! What is she, blind or
something? I thought she was
flirting with me, but she thought
I was a customer! I better get
out of here!

Here is a sample bag as well,
and thanks for all your help.
The gift card is in the bag.

Th...thanks.

What is going on? *Two* people thought I was a *girl*. Weird. I'm *obviously* not a *girl*! Well, they both had glasses. That must explain it. Once I get my hair cut everything will be normal...I hope.

Funny...maybe it's just my imagination, but my clothes feel kind of loose.

Hi, I'm Cheryl. Do you have an appointment?

No, sorry I don't, but I would like a hair cut.

No problem. Have a seat in the chair.

Now, what are you thinking for the style?

You need a more becoming hairdo.

Funny...thought I heard that old lady for a second...

I just need it cut a little different, but I still want it to be stylish.

Sure thing hon. Not as much detail as I usually receive, but I like that you trust the professionals. I'm sure you will like what I come up with.

A woman with short, wavy grey hair and dark eye makeup is cutting another person's hair. She is wearing a pink and white polka-dot tank top. She holds a black comb in her left hand and a grey electric hair clipper with a red button in her right hand. The person being cut has long, straight brown hair. The background is a simple room with a window showing a bright outdoor scene.

My my_ I guess you
haven't had your
hair done for a
while.

Comfy?

Oh no, not again! She's not wearing glasses, she could not have mistaken me for a girl as well! Might as well sit and bear it. I don't want to cause a scene. How bad could it be?

This came out great!

Well check it out, I know you will love it!

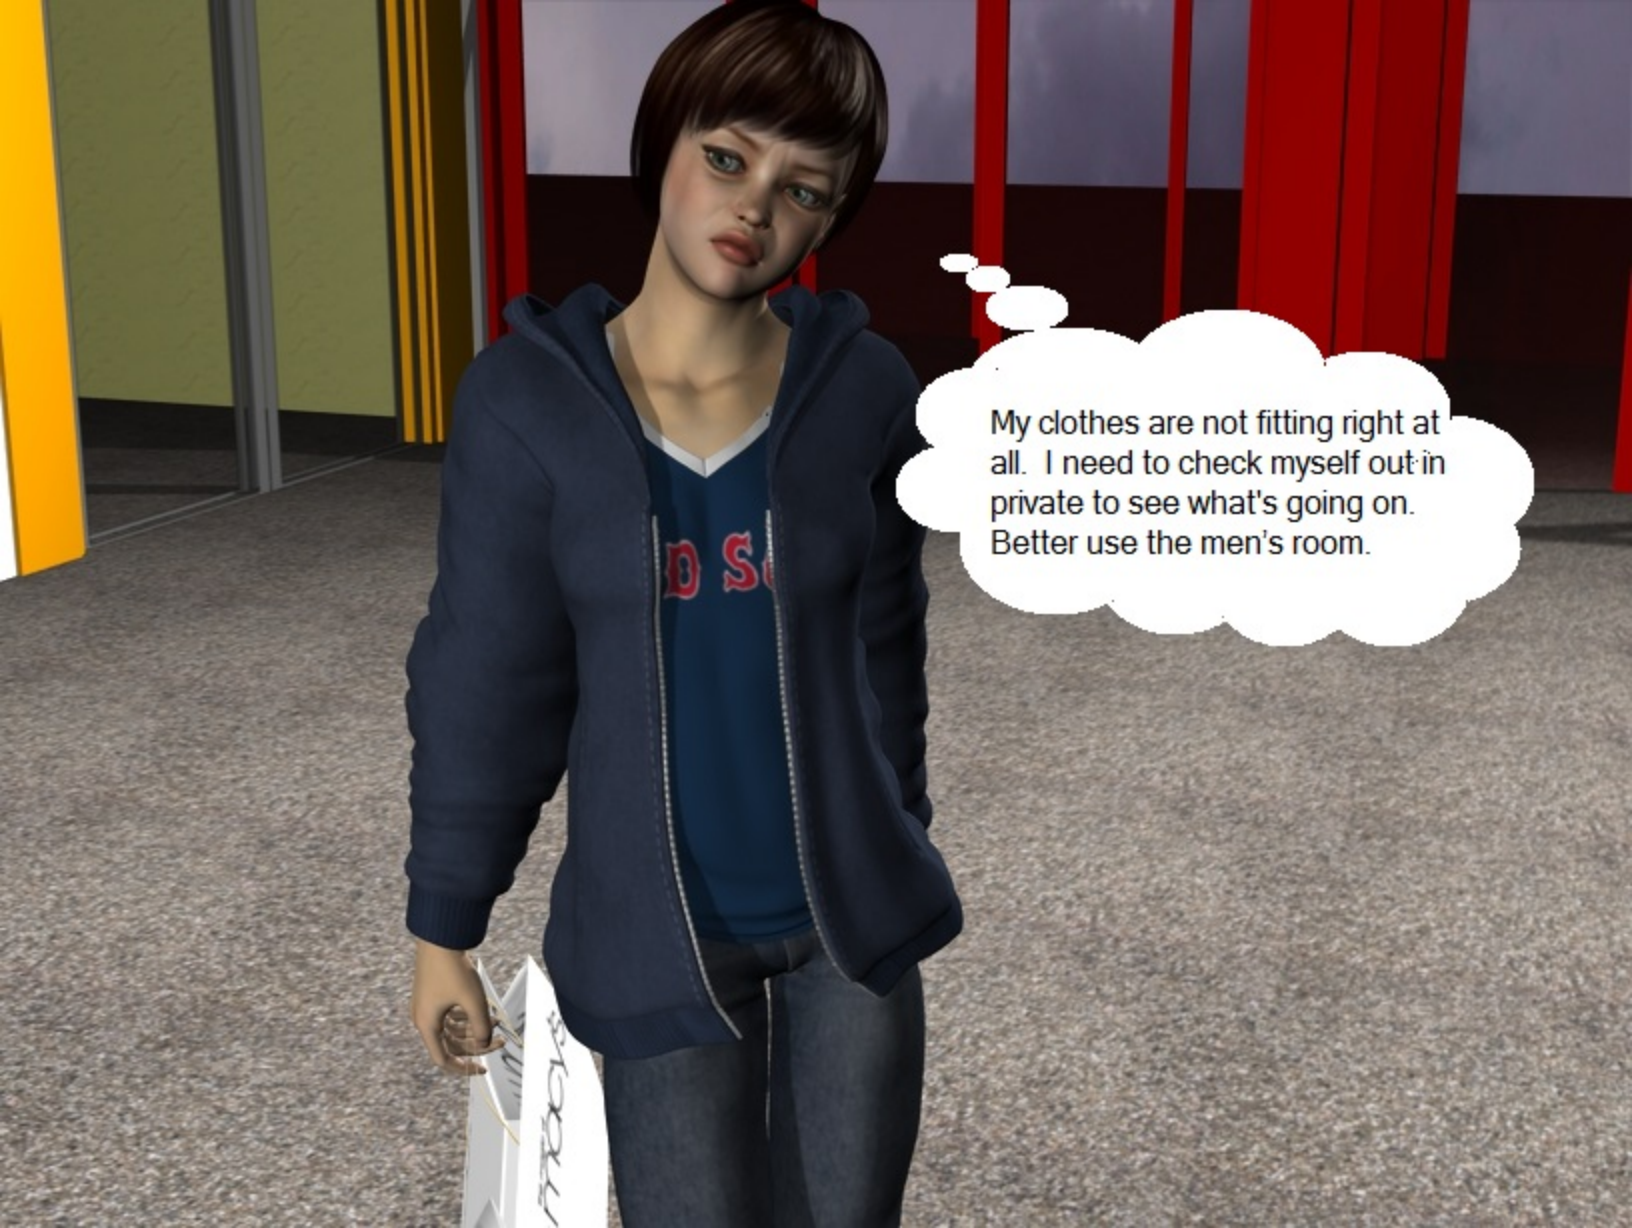

Damn it, I look more like a girl then I did before!

How much do I owe you?

You look great!
That will be \$28.00

I have a gift card.

Oh no! You where entitled to a full make over! I'll give you some gift certificates to make it up to you.

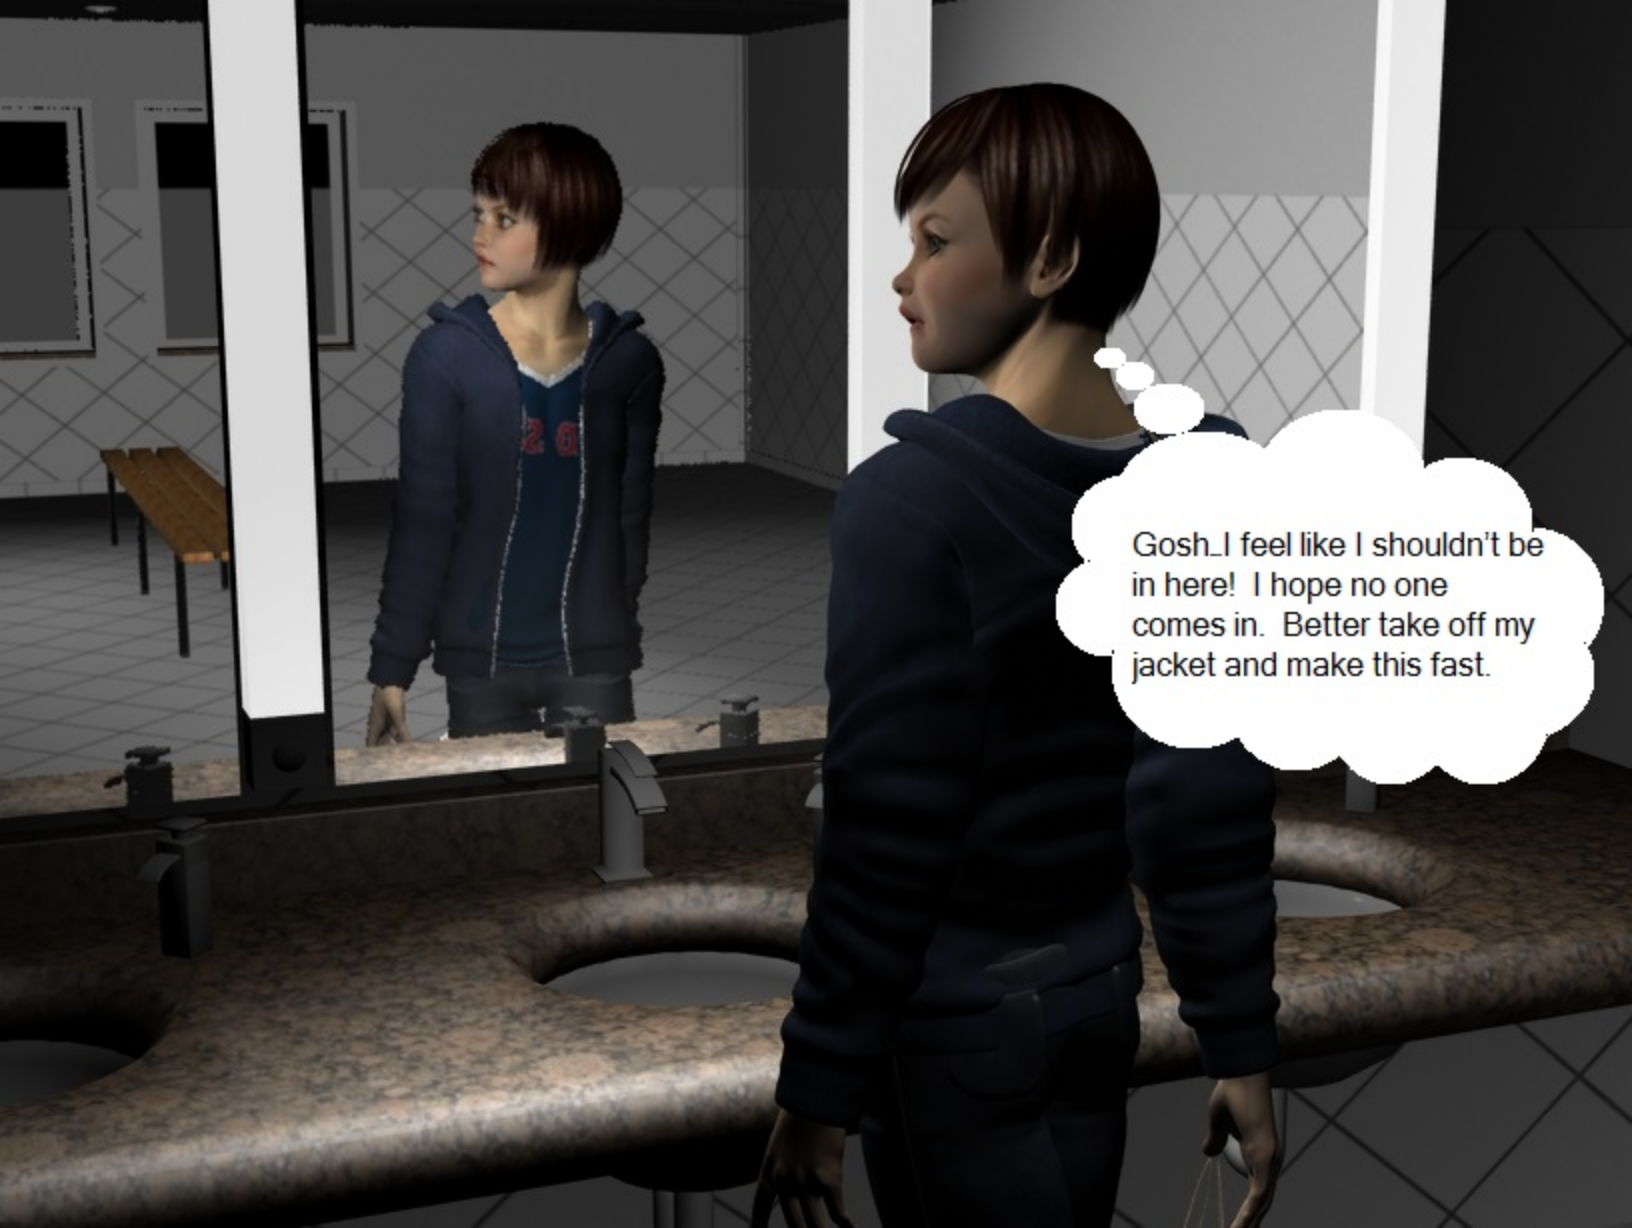

My clothes are not fitting right at all. I need to check myself out in private to see what's going on. Better use the men's room.

Strange, it just does not
feel right to use the Men's
room.

Gosh...I feel like I shouldn't be in here! I hope no one comes in. Better take off my jacket and make this fast.

I'm so skinny! How can
that happen? My chest
feels funny. I'll check
under my shirt real fast.
gulp Here it goes.

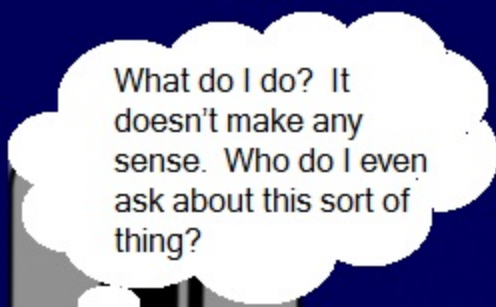

Oh NO! W_what is
going on? I.I have
boobs!!!

The image is a 3D rendered scene set in a bathroom. In the foreground, the back of a woman's head and shoulders are visible. She has short, dark brown hair and is looking towards a large mirror. The mirror reflects her front-facing image. She is unclothed, with her arms crossed over her chest in a gesture of surprise or embarrassment. She has a shocked expression on her face, with wide eyes and an open mouth. The bathroom has light-colored tiled walls and a tiled floor. A sink with a faucet is visible in the lower part of the mirror's reflection. A thought bubble originates from the woman's head, containing the text: "Oh NO! W_what is going on? I.I have boobs!!!".

At least I'm still a boy down there...but if seems much smaller. Something crazy is going on, and I need to find out what, and how to stop it! I better get dressed and get out of here!

What do I do? It doesn't make any sense. Who do I even ask about this sort of thing?

Hey, I never noticed that magic shop before. Maybe that old guy can help me. He looks like he knows about magical things.

of
Wonders and M

Excuse me, sir...do
you know anything
about magic?

Why yes. I am
Sebastian the
owner of this shop.

I have a problem...

Why don't you
come in.

Now, how can I be
of assistance?

I think I'm turning
into a *girl*, please
help.

You mean you're
not a girl?

No. Look at this..

My my...how peculiar.
Perhaps we should
discuss this in the back
room.

Where did that
smudge come
from?

Well well well... let's
have a look.

A screenshot from a video game showing two female characters in a stone-walled room. The character on the left has short brown hair and is wearing a blue hoodie with a red 'SA' logo. She has a surprised expression. The character on the right has long white hair in a ponytail and is wearing a green tunic with yellow trim. She is holding a long, thin wooden staff. A thought bubble above the first character contains the text 'Weird...'. The background consists of grey stone walls and a cobblestone floor.

Weird...

Ouch!

pluck

Yes indeed this is a nasty little curse, It's an old gypsy spell meant to be cast on unruly young women to make them behave. Do you know who placed it on you, and why?

It must have been this old woman I bumped into on my way into the mall.

It is a very minor curse and if you were indeed a young woman I would tell you to just wait it out and try to behave until it wears off. But since the spell was cast on a boy, it has started to change you into something new and much more interesting.

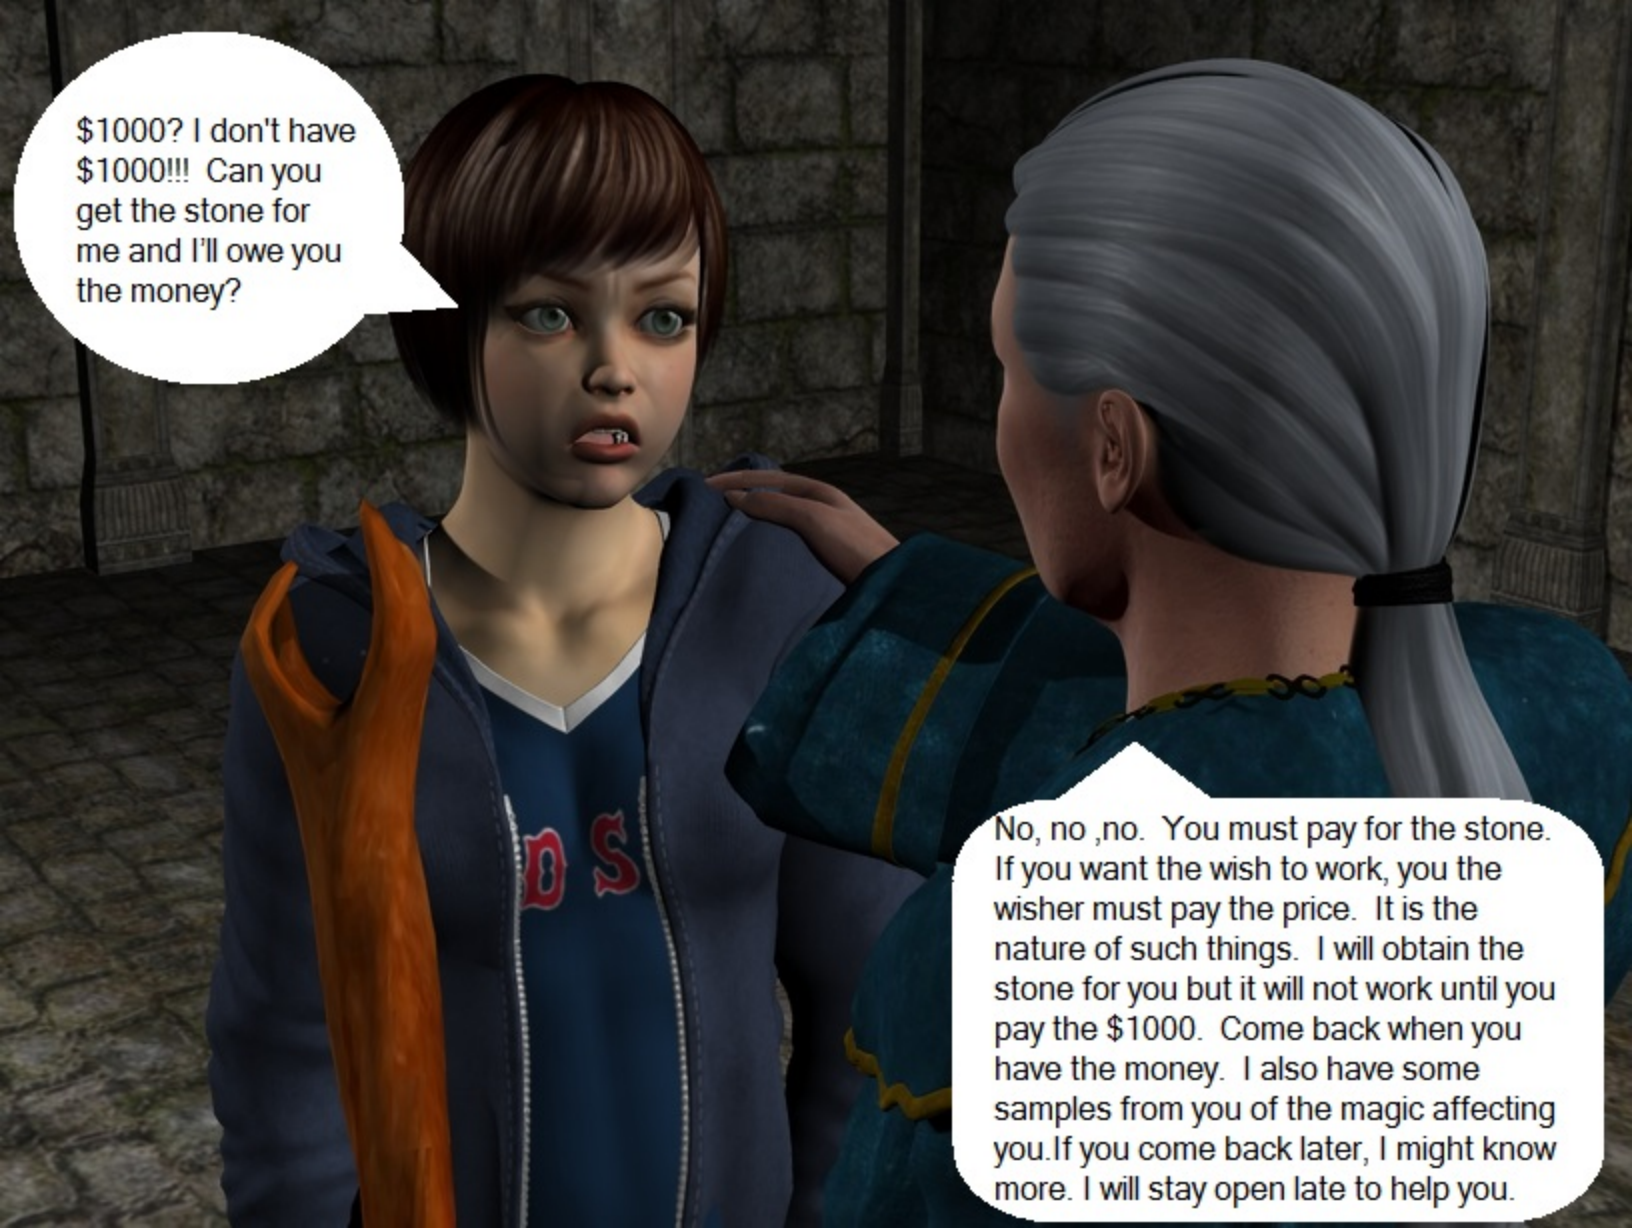

Can you help?

The spell has changed into something quite new and unexpected, and it's beyond my abilities to stop it. It will be interesting to see how it all turns out though.

There must be something that can be done!

Well, what do you know you are in luck. There is a minor wishing stone for sale at the moment, the stone of Zahra. I could obtain it for you and it will only cost \$1000.

\$1000? I don't have
\$1000!!! Can you
get the stone for
me and I'll owe you
the money?

No, no ,no. You must pay for the stone.
If you want the wish to work, you the
wisher must pay the price. It is the
nature of such things. I will obtain the
stone for you but it will not work until you
pay the \$1000. Come back when you
have the money. I also have some
samples from you of the magic affecting
you.If you come back later, I might know
more. I will stay open late to help you.

Wonders and Magic

Where am I going to get
\$1000? I never even saw
that much money.

Pom Straat

Maybe I can find work
here in the mall. There
must be lots of jobs_

...problem is, my sneakers are so loose, my feet are falling out of them. I'm having trouble walking without falling down. I have to get some shoes that fit better. Then I can look for a job.

Payless

SHOESOURCE®

There's a shoe store.

Hi I'm Jessica. How can I help you?

I need some new shoes.

Proper young ladies don't wear sneakers. Find something more appropriate and pretty.

Hey...there's that voice again!

No prob! Let's get you measured.

Boy, your shoes don't fit at all!
Way too big. Looks like you're
a perfect size 7. Now, are you
looking for something stylish or
just some sneakers that fit?

Er...I just need some
sneakers that fit.

Proper young ladies, don't wear sneakers!

Leave me alone!

How do those feel?
They're on close-out, only \$19.00.

Great! Very comfy!
I'll take them.

Zapp!

Ouch!!

Is everything ok?

Uh _yes, I just had
a_um_cramp.

Well, if you decide you
want to exchange them
for something else, you
can return them today,
no charge.

Thanks.

At least I can walk now.
These will be good work
shoes, even if they are
pink and girly.

Damn...I'm not used to these
boobs! They're bouncing
around quite a bit. It's really
distracting_and
embarrassing!

There's the
employment office.
I hope I can find a

"Waitress" - "housekeeper" - these jobs are so demeaning and *feminine*! I don't know what the hell a "barista" is, but I'm sure I wouldn't like it. Maybe some of the "other opportunities" would be alright. I'll go in and see.

Let me give you some advice then. If you are going to apply for a job, you need to dress more appropriately. You have to *at least* wear a bra! I have some jobs where a uniform is supplied, but you need to be wearing underwear. Why don't you come back when you are more prepared. You young girls, running around almost naked just to give the boys a thrill. I know, I was your age once.

Great. Terrific.
Now I have to get a
bra or I can't get a
job. This sucks!

We have the following job
openings today.

Waitress

Barista

Housekeeper

as well as other opportunities.

If interested please come inside.

VICTORIA'S SECRET

Gulp This is so embarrassing.

Hi, I'm Wendy, how
can I help you?

Um_ I uh_ I n_need
a_uh_bra.

Ok. What size do
you need?

Size? They come
in *sizes*?

I.I don't know.

Hey, look at you. You're
trembling! You don't have
anything to be scared
about, honey. Why don't
you come back to the fitting
room and we'll get you all
taken care of.

Ok.

I'll be back in a sec,
Sweetie. Why don't
you undress while I
get my tape measure.

O_ok.

Gosh...this is so
weird. Getting
fitted for a bra.

My boobs look even bigger, and they're so sensitive. I guess that lady at the employment office was right. I have to wear a bra, at least until I can get that stone and become my normal self again.

knock knock

Ready, Hon?

Y..yes.

Nothing to be shy
about, it's just us girls
here. Oh my...boxers!
You're a regular
tomboy, aren't you?

I guess.

Is this your first
fitting?

Uh...yes.

Don't worry, it'll
just take a
second.

Let's see...

How humiliating.

You are a perfect
34B.

Oh my god! 34B,
that's a *real*/bra
size!
This is just crazy!

It looks like you
need panties too.

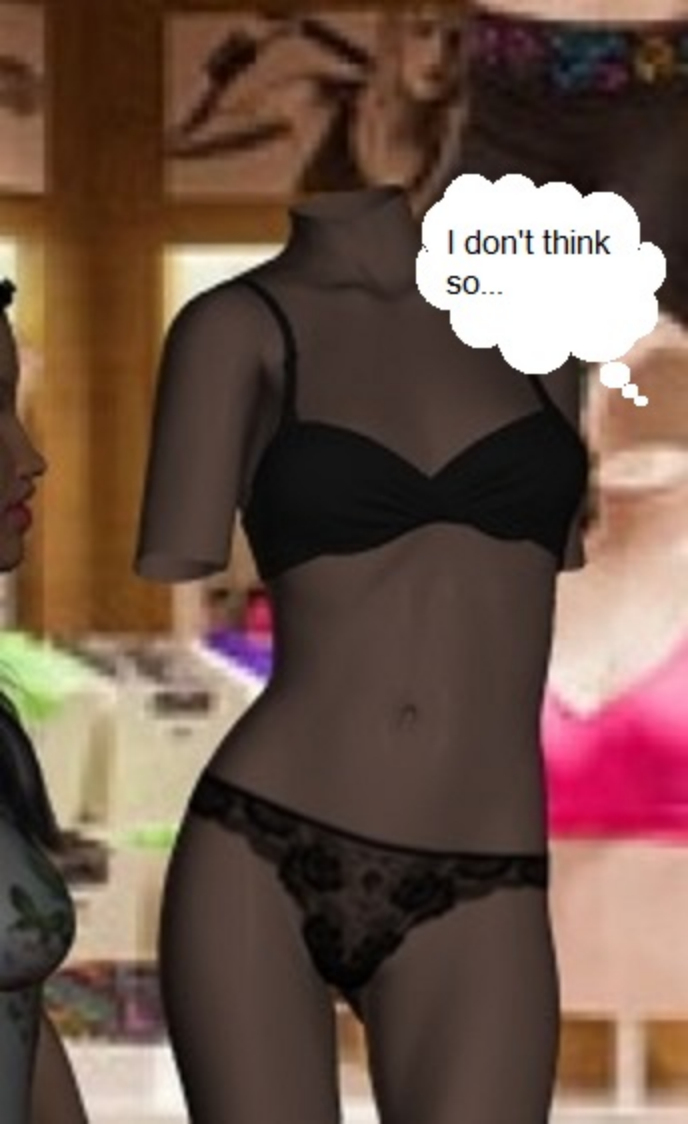

I don't have much money to spend.

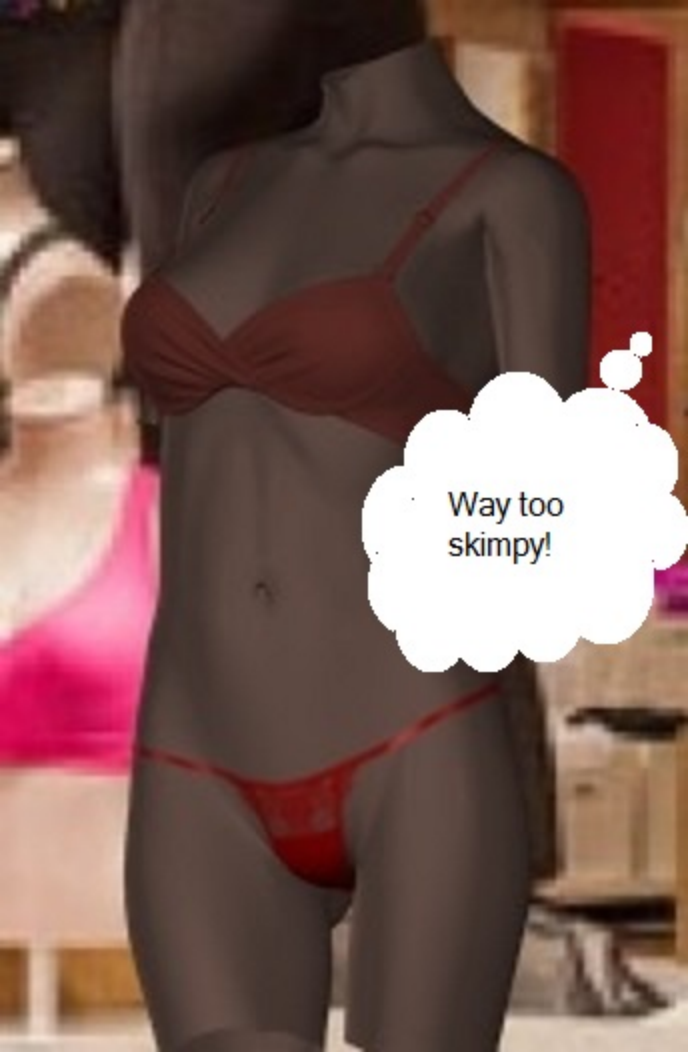

No problem we are having a sale on matching sets, only \$15.00, and I guarantee we can find something nice for you. Get dressed and come out front and I'll show them to you.

Well, what do you think, which one would you like? You can wear it out if you want.

A photograph of a mannequin in a retail clothing store. The mannequin is wearing a black, short-sleeved, high-necked bodysuit with a plunging V-neckline, a black bra, and black lace-trimmed underwear. A white thought bubble is superimposed on the image, containing the text "I don't think so...". To the left, the profile of a woman's face is partially visible. The background shows store shelves with various items.

I don't think
so...

A photograph of a mannequin in a red bikini inside a retail store. The mannequin is positioned in the center-left of the frame. To its right, a white, cloud-shaped speech bubble contains the text "Way too skimpy!". In the background, to the left, another mannequin is partially visible wearing a bright pink top. The store's interior, including shelves and other items, is blurred in the background.

Way too
skimpy!

I guess this one's
ok...

I guess I'll take the pink one.

It will be perfect for you, and give you some support. I know how uncomfortable it can be to have your girls, bouncing around all day. You can take it back to the dressing room and try it on.

Damn, this is the worst day of my life! I can't believe I just bought *girl's* underwear! I guess it didn't cost that much. Hey, my boxers are really loose...oh no...

Oh, damn
it!

The worst day of my life just
hit a new low! "Little Terry"
is gone! I'm *all girl* now! I
have to get that stone, and
fast!

It feels a little better to be covered up, I guess. Wendy was right. With the bra on, my breasts look a lot bigger. I just bought girl's underwear for myself, and it fits. Of course it fits..I've become a girl! Guess I'll finish getting dressed and get out of here.

I've never felt so...vulnerable.
What did I do to deserve
this...other than knock down an
old lady?! It's not like I did it on
purpose!

I wonder if
Sebastian got that
stone yet.

Did you get the
Wishing Stone?

Oh, you have
returned I see.

Yes, I have taken
possession of the
stone. Come in, I'll
show it to you.

Behold, the Stone
of Zahra!

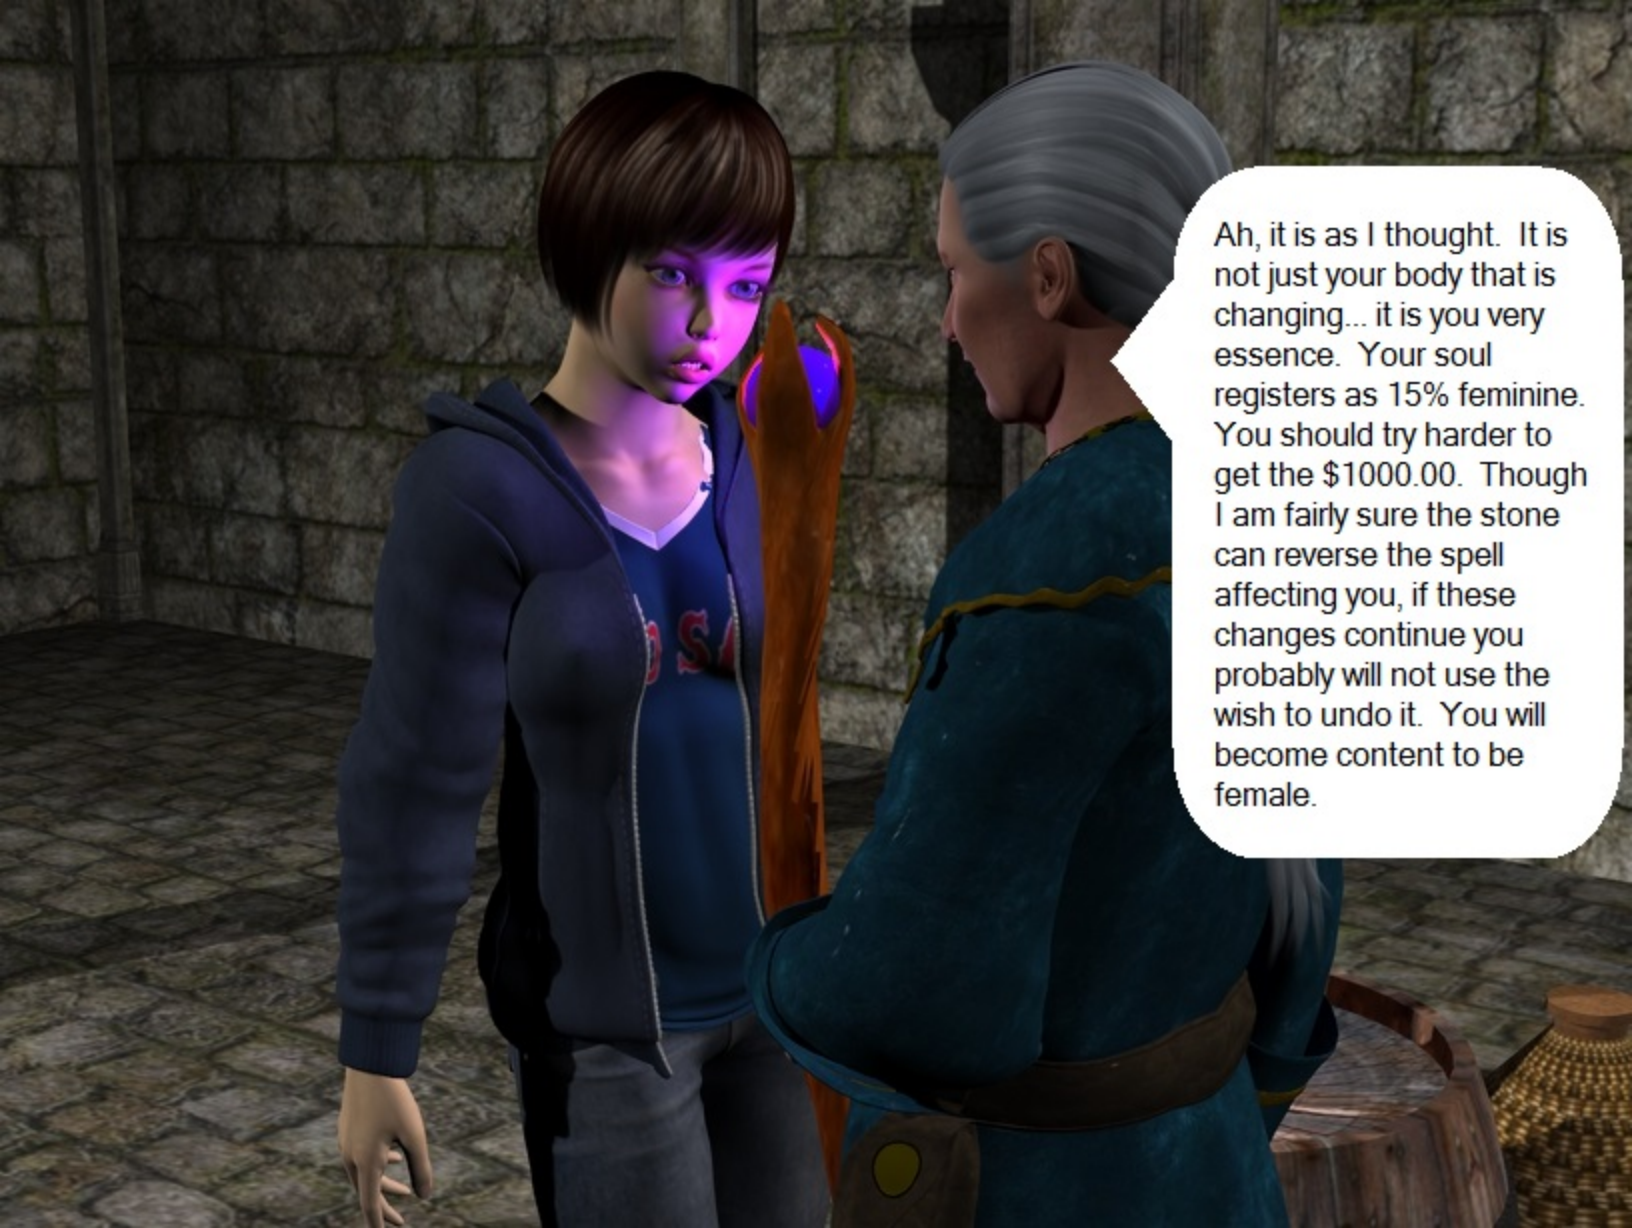

It looks just like a
regular rock to me,
except for that
weird glow.

It glows with power! Pay
me the \$1000.00 and you
may use it. Unfortunately it
only works once for each
person, and I wasted my
wish many years ago.

Have you learned anything about the spell affecting me?

I have some theories. I have adapted my staff into a Soul Compass, a fairly common magical tool. It can be used to measure many different aspects of a person. I have set this one up to measure the relative masculinity and femininity of your soul. Let me demonstrate...

Ah, it is as I thought. It is not just your body that is changing... it is you very essence. Your soul registers as 15% feminine. You should try harder to get the \$1000.00. Though I am fairly sure the stone can reverse the spell affecting you, if these changes continue you probably will not use the wish to undo it. You will become content to be female.

Is there anything I
can do?

The spell is forcing you
towards a more and more
womanly role. You will
start to have a woman's
thoughts and desires. The
more you accept that, the
faster your soul will
change. I can see you
have already begun to
accept your new role. You
must resist!

I have to get enough money to buy that stone, and fast! If Sebastian is right, if I become feminine enough I won't even want to use the stone to wish myself back! I really have to try to resist any feminine thoughts.

Wonders and Magic

I hope whatever job
I get pays enough
for me to buy the
stone.

We have the following job
openings today.

and other opportunities.

Please come inside.

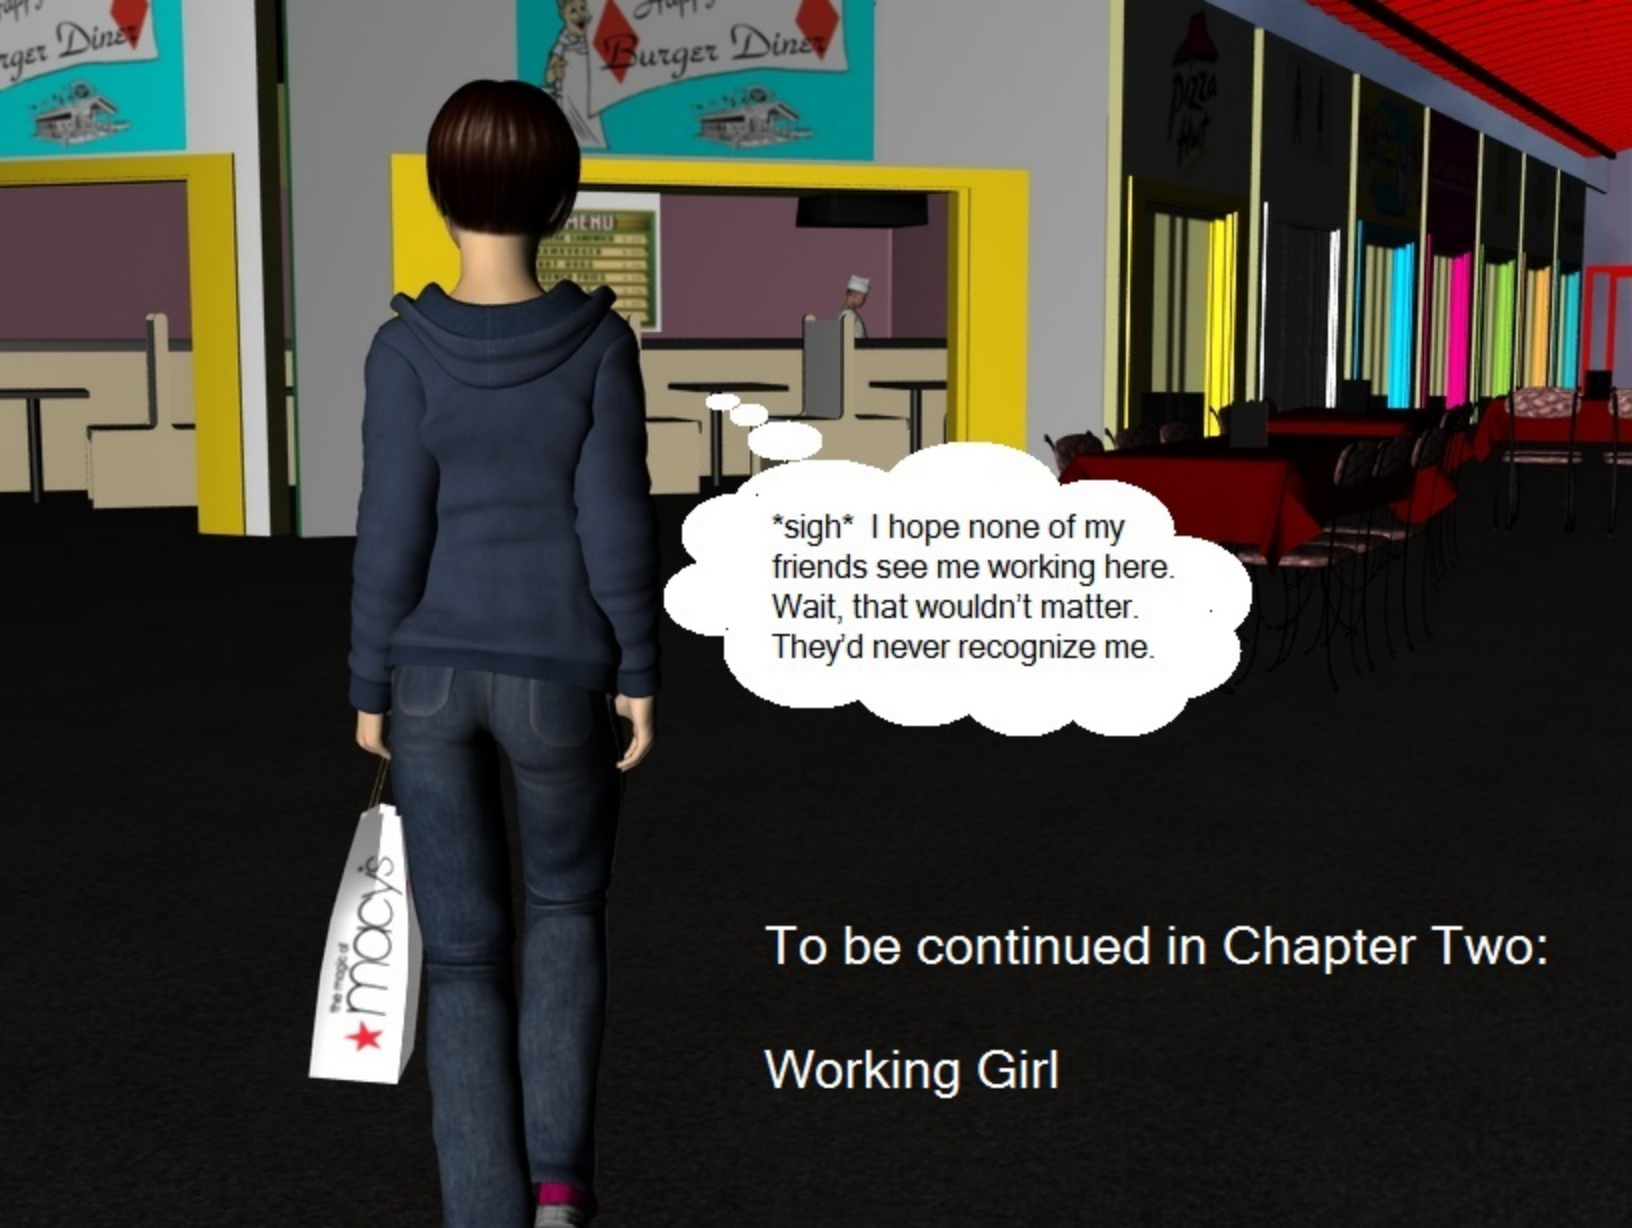

Much better. I see you are taking your job hunt seriously. You're in luck! You might be able to fill a waitress job open here in the mall. They need someone today. Run over to the Happy Burger Diner, the manager has been calling for help all morning.

I don't see how I'm going to earn \$1000 slinging hash at a greasy spoon. It's a start I suppose.

sigh I hope none of my
friends see me working here.
Wait, that wouldn't matter.
They'd never recognize me.
